The Company's financial results press release will be available in the Investor Relations section of the Company's website at investors.axecompute.com and on the SEC's website at sec.gov following the filing.

A replay of the webcast will be available on the Company's investor relations website following the call.

About Axe Compute Inc.

Axe Compute Inc. (NASDAQ: AGPU) is a neocloud AI infrastructure platform built on a fundamental premise: AI innovation should not be constrained by hardware choice or availability. The company provides enterprises and AI innovators with flexibility across hardware, geography, and deployment models through two core offerings: Axe Compute Access, delivering a wide range of the latest high-performance GPU infrastructure across global locations, and Axe Compute Build, enabling the design, deployment, ownership, and operation of large-scale, dedicated AI factories worldwide. All solutions are supported by enterprise-grade SLAs and operational expertise. Axe Compute is headquartered in Miami, Florida. For more information, visit axecompute.com.
